

Stay Clear!

**A downed power line may not be a dead line.
It could cause serious injury or death.**

If someone is injured by contact with a power line, call 911 and keep others away until help arrives.

If a power line falls across or near your vehicle while you are in it, stay inside until help arrives. If you must exit, jump clear so that no part of your body is touching the car when you land. **KEEP BOTH FEET TOGETHER**, and shuffle or hop at least 30 feet away from the vehicle.
